

**POST-DOCTORAL POSITION IN HUMAN  
PALAEOLOGY**

**Max Planck Institute for Evolutionary Anthropology  
Leipzig, Germany**

The *Department of Human Evolution* of the Max Planck Institute for Evolutionary Anthropology, Leipzig (Germany) invites applications for a post-doctoral position in Human Palaeontology. In the department, a series of research projects are developed within a multidisciplinary environment involving three main groups of scientists: biological anthropologists, Palaeolithic archeologists, and archaeological scientists/geochronologists. More information about the Department of Human Evolution may be found at <http://www.eva.mpg.de/evolution>.

This position is a research post. We expect the successful candidate to conduct research on the *Plio-Pleistocene African hominin fossil record*. The selected candidate will have a Ph.D. and a significant track record of research. The initial length of the appointment is two years but the contract is extendable. For further information please contact Professor Jean-Jacques Hublin ([hublin@eva.mpg.de](mailto:hublin@eva.mpg.de)).

Applications, including cover letter, curriculum vitae, reprints of selected publications, a short statement of research interests, and the names of three referees should be sent before the 28<sup>th</sup> of February, 2012 by e-mail to Diana Carstens ([carstens@eva.mpg.de](mailto:carstens@eva.mpg.de)) and by mail to:
