

Program for EASHE meeting – November 5, 2010

9:00 – 9:30

Welcome speech

Meeting outline and practical information for the day.

9:30 – 10:30

The scope and organization of the Society

Why do we need a European Society for the Study of Human Evolution?

What could the activities of the Society be?

What kind of members will be in the Society?

10:30 – 10:50

Coffee break

10:50 – 11:50

The organization of an annual or biannual meeting

Practical issues regarding the meeting organization.

When and where should the first meeting be?

What kind of peer-review system could we establish and how should we publish these meetings (online or other)?

12:00 – 13:00

Lunch

13:00 – 14:30

Break

Group 1: Tour of the Max Planck Institute for Evolutionary Anthropology

or

Group 2: Tour of the Wolfgang Köhler Primate Research Center at the Leipzig Zoo

14:30 – 15:30

The organization and structure of the society

How to manage such a society (committee, elections, staff, etc.).

15:30 – 16:30

The members

How will we publicize the Society?

What kind of website will the Society have?
How will we attract members?

16:30 – 16:50

Coffee break

16:50 – 17:30

Final remarks and prospects

Decision making on the next steps.

Can we envision a new journal in the future?

17:30 – 19:00

Free time

19:00

Dinner in town

Note: Two people will be designated per session, to lead the discussions and to write a brief summary of the workshop.
