

Max Planck Institute for  
Evolutionary Anthropology

# The Human Mutation Rate Meeting

25th - 27th February 2015 | Leipzig - Germany

## Topics include

- Estimating the mutation rate in humans and apes
- Differences in male and female mutation rates
- Dating using the molecular clock
- Evolution of mutation rates
- Molecular and chemical mechanisms leading to mutations

## Invited Speakers

Richard Durbin  
Kelley Harris  
Agnar Helgason  
Jean-Jacques Hublin  
Michael Lynch  
Kateryna Makova

Molly Przeworski  
David Reich  
Aylwyn Scally  
Mikkel Schierup  
Michael Stratton  
Shamil Sunyaev

## Organizers

David Reich  
Kay Prüfer
